## PROGRESSION INTERMEDIATE REAL

MSRP: \$32.95

If you're an intermediate kiteboarder, this is the ultimate tool to guide you to the next level. The best instruction around for learning back loops, front loops, and transitions - the core repertoire of the mid-level kiter. The pace is slow and repetitive, with accurate and effective instruction. Each move is intricately broken down into three stages, or "progressions". Several unique presentational techniques allow an unprecedented ease of learning. From setting up the kite to your first jump, Progression: Beginner safely demonstrates easy-to-learn ways to master kitesurfing.

## KITEBOARDING 101 TRONOLONE

MSRP: \$29.95

Tronolone Production's (Unhooked, Awake) first in a series of instructional kite videos does a great job at filling an instructional void at the intermediate level. This DVD has the unique and innovative options of being able to view either a full-screen version with the kite tricks front and center during the voiceover, or a split screen view with the host's instruction on the left, the action being completed on the right. Definitely a maximum absorption value. What really makes this video is the professional and technical insight from host Shannon Best. His extensive background in wakeboarding, and understanding of the mechanics of kiteboarding allows him to share some tips that you'll find nowhere else.
