PRAY FOR ME THE JASON JESSE FILM POOPY PANTS MSRP: \$29.95

Pray For Me is a documentary stunt ride with legendary former skateboard pro, custom chopper builder, and full-time lowrider Jason Jesse. Jason's family, friends (many of whom are living legends in diverse fields) and associates weave a riveting narrative on a truly fascinating, self-invented man. Jason's halting language and dozens of interviews from those who know him best and worst unveil themes of suicide, Jesus, success, failure, chickens, excommunication, bankruptcy, and love. The diversity of the interviewees in the film is staggering, as is their contribution to modern California culture - Jason's true love.
