THAT FORUM

MSRP: \$29.95

In an era marked by an oversaturated video market, a leader must emerge to challenge the boundaries of what is considered normal, and show the way for generations to come. There is one single team in snowboarding that has led the charge in progressing the level of riding, defining the formula that all others have since tried to duplicate. That team is the Forum team, and the time for THAT team video is now. Peter Line, JP Walker, Devun Walsh, Joni Malmi, Lauri Heiskari, Travis Kennedy, Pat Moore, Jake Blauvelt, Cheryl Maas, Stevie Bell, Eddie Wall, Iikka Backstrom, and Jake Welch."

IR 77 - BOOK + DVD PULP PUBLISHING

MSRP: \$39.95

It's a book. In the fall of 2004 over 40 photographers, artists, and riders from 9 different countries began a collaboration that has grown into the ir77 book. The book is a cooperative effort to take a completely new and thought provoking approach to snowboard media. The result is a breathtaking 120 -page book that explores and shares the raw energy of snowboarding.
3. It's a movie. When the pages of the book could go no further, the ir77 crew set sail on a world tour. Their goal was to capture original footage and complete the story of passion and snowboarding.
