YOUNG GUNS 3 QUIKSILVER

MSRP: \$29.95

This time Dane Reynolds, Clay Marzo, Jeremy Flores, Julian Wilson, Ry Craike, master and mentor, Kelly Slater and youngest YG, Garrett Parkes have hit the road hard. See them tracking swells and rolling out at a moment's notice to the world's best waves over the course of six months. They've given us so much A+ action that we couldn't fit it all on one DVD - so we're giving you TWO. Plus, thanks to our YG3 interactive website, for the first time ever you decided some of the clips that made it into the vid. Add a bunch of classic extras along with the introduction of the Mini Guns - a group of 15 year-old budding superstars - and you've got the surf movie of the year.

FIN OPPER SPORTS

MSRP: \$29.95

FIN is an examination of the current state of the art, a time in surfing culture when surfers are compelled to ride whatever they want in order to facilitate a style that suits them best. FIN is a study of the end of one mentality, a look at the current epoch of surfing history, and a celebration of a time when how you ride it means everything.

SHADES OF BALI

A. KOPJAK

MSRP: \$28.95

The Indonesian island of Bali is a dream locale which consistently draws traveling surfers from all corners of the globe. Throughout the last 5 years, videographer Pete Matthews has been documenting the epic waves and diverse landscape that grace this special Indian Ocean isle. Matthews has captured the world's best surfers along with the lifestyle and essence of four locals who appear more than ready for the world stage. The Godfather of Bali surfing Rizal Tanjung has carved himself a niche in the surf world. Shades of Bali not only looks deep into the lives of these Balinese watermen, it also captures the skilled wave riding of the top-shelf professionals who continually return to this magical atoll.

PLANET REEF REEF SANDLES

MSRP: \$24.95

Anybody feeling "Optimistic?" In the first winter to show the undeniable effects of global warming, Absinthe has explored the effects of a changing planet. For those who live to snowboard, these changes can be perceived as impossible challenges or creative opportunities. Absinthe reconfirms its ability to find the best conditions when the rest have given up or resigned themselves to the park. Following fifteen individuals through their interpretation of this winter, Absinthe forges another unforgettable snowboard film with its newest release, "Optimistic?"
